Happy New Year all!

If you have a favourite recipe that you would like to share, we'd love to hear from you! Please send it to the warbler email address on the front page, or drop it in to Cobweb Cottage.

Recipe

This issue's recipe is one of my go-to recipes for when the in-laws come. We like a nice piece of roast rib beef but it is best served with Yorkshire puddings and good company. I stick to Jamie Oliver's method which can be a bit smokey (make sure you put the extractor on) but is reliably excellent in outcome. The original recipe has a rosemary and garlic rub but a good piece of meat doesn't necessarily need it.

Roast Rib Beef

About 2.25kg forerib beef (with 2 bones)

1. Preheat the oven to 240C/475F.
2. Take the beef out of the fridge 1 hour before you want to cook it, to let it come up to room temperature. Place a large sturdy roasting tray in the oven to heat up.
3. Place the beef straight into the oven and roast for around 50 minutes, basting occasionally with the cooking juices.
4. When the time is up, reduce the temperature to 190C/375F for around 10 minutes, or until the beef is beautifully golden brown on the outside and pink in the middle—leave in for longer if you prefer your beef well done. (Medium rare is about 50-55C internally on a meat thermometer.)
5. Carefully transfer the beef to a platter and dot a knob of butter on the top and allow to melt over the meat. Cover with a double layer of foil and tea towel, then leave to rest for about 15 - 20 mins.
6. Serve the beef with the resting juices drizzled over the top and all the usual roast accompaniments. (I do have an excellent Yorkshire pudding recipe but if I showed you it, I'd have to kill you....!)

From the Vicar in January:

Look to the star

As a new year begins, only a very foolish person would dare to predict what it might bring. Yet still we might be drawn to look to the stars, to wonder what way this year will take us, and remember ancient stories. In the church's way of telling time we reach the season of Epiphany. Epiphany is a season of wonder and adventure, of hope and courage, of recognising the light of love shining around us. We hear the story of star followers who dare to travel a different way.

One of UA Fanthorpe's poem is fitting for this season:

BC-AD
This was the moment when Before
Turned into After, and the future's
Un-invented timekeepers presented arms.
This was the moment when nothing
Happened. Only dull peace
Sprawled over the earth.
This was the moment when even energetic Romans
Could find nothing better to do
Than counting heads in remote provinces.
And this was the moment
When a few farm workers and three
member of an obscure Persian sect
Walked haphazard by starlight straight
Into the kingdom of heaven.

Haphazard though the days may be, may 'dull peace' sprawl and spread, and bless us this season and always.

From the Vicar in February:

Candlemas

*"To everything, turn, turn, turn,
There is a season, turn, turn, turn,
And a time for every purpose under heaven..."
(Pete Seeger and the Biblical book Ecclesiastes)*

In between the winter solstice and the spring equinox comes the season of Candlemas, a time for turning. Here is a time for wondering when and how the seasons will change. Candlemas comes at the beginning of the Celtic season of Imbolc. The word "*imbolc*" means "*in the belly*." *The earth's belly is beginning to awaken, new life is stirring, seeds are tentatively making their way through the cold, dark earth into the light. It is time for noticing and attending to new possibilities. From the background of the Christmas stories we hear from Simeon and Anna, holy and wise ones, who know the importance of waiting and listening. They turn and recognise the light of God seen in the welcome of a child. This child will turn many people around, will discomfort the comfortable and offer peace to those who will commit themselves to the way of self-giving love – to the way that Easter beckons. What is emerging for you at the turning of the seasons?*

May Candlemas hope, wisdom and wonder continue to guide and bless us.

Revd Hilary Campbell

This is for anyone to post information or ask questions on by it will also be
used by Wardington Parish Council to disseminate information

We live in a beautiful part of the world and we are very lucky to live in such a pretty village. However, there are always things that can be done to make it look tidier and cleaner both for us and our visitors - signs are a big part of this. The signs on the way into the village are cleaned by OCC-Highways due to the dangerous nature of their position but the others dotted around the village are our responsibility.

Could you adopt a sign near you?

- ◆ Keep an eye on it (make sure it doesn't run away)
- ◆ If it gets damaged, report it on fixmystreet (instructions can be found to the back of this issue)
- ◆ Give it a good wash if the mould takes hold

Let the WPC (and the world) know what you are doing for your community by contacting them on

wardingtonparishcouncil@hotmail.co.uk OR wardingtonwarbler@gmail.com

A BIG THANK YOU TO:

Sarah and Stuart for clearing the path along the main road in Wardington

Malcolm Patterson for cleaning the bus stop glass

Jane Humber for cleaning the Williamscot Signs

Bob Jarrett for cleaning the sign next to Taylors Cottage on the A361

Lexi-Gordon-Finlayson for keeping the noticeboard opposite the Hare and Hounds tidy

Jonathan Meredith for all his sign cleaning help

Rodderick Stell has kindly taken on the maintenance & repair of the bus shelter opposite Greensward

Fancy seeing your name in print here?

Let us what you are doing to help the village and community or perhaps get involved in one of the many projects and groups in the parish (see our sign cleaning push above, or the advert for help with the playground also in this issue).

Wardington Parish Council

Present: Cllr Malcolm Patterson (Chairman), Cllr Bob Jarrett, Cllr George Page, Cllr Nigel Banks.

In Attendance: Clerk, District Cllr Phil Chapman, 0 members of the public.

76. Apologies for absence – None.

77. Members' declarations of interest for items on the agenda – Cllr Nigel Banks declared an interest in planning item 21/03623/F and 21/03624/LB.

78. Update on HS2 construction from Simon Davis (EKFB) – Simon Davis is unable to attend due to personal reasons so he has provided an update via e-mail. The main points from the update are:

- Simon is willing to meet with the PC electronically over the next few weeks or in person at a future meeting.
- The building of the compound in Chipping Warden is well under way and the main office is now open.
- There will be a Concrete Batching Plant on the compound to reduce the need for individual mixer lorry supply.
- As far as construction traffic is concerned there are only around 15 vehicles a day going through the village. Traffic will pick up from the spring onwards.
- The aggregates will be arriving soon. There will also be crushing on site to reuse aggregate from the site.
- The first concrete tunnel section will be supplied in December. They are extremely large and will arrive with escorts travelling from the M40 and up the A361.
- The permanent track design is now up for approval and a presentation pack will be printed.

The PC agreed that it would be good to have another village presentation when the track plan has been completed and the presentation pack is available. **Cllr Bob Jarrett to discuss this with Simon Davis.**

79. Public participation session – None.

80. To approve the minutes of the Parish Council (PC) meeting held on 12th October 2021 – The minutes were proposed, agreed and duly signed.

81. Outstanding matters/actions from previous meetings

81.1 Action to report on Fikmystreet the damage to wall opposite Yew Tree Cottage – Still outstanding. **Cllr Page to send photos to Clerk asap as the path is no longer passable for pushchairs and wheelchairs.**

82. Cherwell Local Plan Review – A public meeting to get parishioners views on the plan was held in October and it was very well attended. A response has been submitted to Cherwell District Council which can be found on the PC website. The councillors thanked the Chairman for the work he put into the response.

83. Play equipment repairs and inspection – The repairs in response to the professional inspection have now been completed. The Clerk completed a condition check on 16th November and no issues were raised. There no longer seems to be an issue with lots of branches on the ground so the Clerk has not instructed a clear up of the area.

84. Planning applications received

21/02732/LB – Sadies Cottage, 4 Cropredy Lane, Williamscoth. Replace and repair two original rotten oak lintels in cellar window access using Green Oak lintels of the same size and replace rotten frame in cellar window opening with individually made Oak framed with toughened glass. **No objections.** (Response made using delegated powers).

21/03272/F – Church Cottage, Wardington. Internal alterations and extension to Church Cottage; removal of oil tank; and replacement of existing windows. **No objections.** (Response made using delegated powers).

21/03623/F and 21/03624/LB – Home Farm House, Cropredy Lane, Williamscoth. Partial reinstatement of cross-passage partition and reinstatement of rear cross-passage doorway. **No objections.**

Planning decisions received

21/02935/F – Study Cottage, Wardington. Replacing porch with two storey stairwell. Single storey pantry and sitting room extensions. (resubmission of 21/01810/F). **Approved.**

21/03023/F – Land South of Cotton Lodge, Wardington. Stables and vehicular access. **Approved.**

85. Finance

85.1 Bank balances – As at end of October Wardington – £24,877, Playground Account – £5,995, and Williamscoth – £5,400. Total in bank – £36,282.80 with £60 of cheques not yet presented.

85.2 Budget and Precept for 2022/23 – Discussions were held about various budget items such as zoom, play area repairs, planning consultancy, and hedge laying. **Cllr Page to obtain a price for hedge laying.** It was agreed that provision should be put in the budget for all of these items. Cllr Jarrett has been notified that new pads and a battery are required for the defibrillator. The PC are happy to pay for the replacement defibrillator consumables but need clarity regarding whether this would be done as a donation to the Village Hall Committee or as the owners of the defibrillator if the Village Hall Committee wish to pass on ownership and insurance liability to the PC. **Clerk to contact Village Hall Committee to get the ownership issue resolved. Final budget to go on next agenda for approval.**

94. Outstanding matters/actions from previous meetings

94.1 Action to report on Fixmystreet the damage to wall opposite Yew Tree Cottage – The Clerk has reported the issue but Highways advised that the wall has temporarily been made safe until it can be repaired. The Clerk has responded asking what is an acceptable length of time for the wall to be made 'temporarily safe' given that it is reducing the usable pavement width so wheelchair and pushchair users would need to walk on the road on the bend, and has asked if they should consider putting road signs on either end of the bend until the wall is repaired advising road users that there may be pedestrians in the road.

94.2 Update to Winter Emergency Plan – The Clerk and Chairman have updated the Clerk's details and removed details of those who no longer live in the village. It was agreed that the Clerk should complete final updates and publish on the website.

94.3 Update re co-option of new councillor – Interviews have taken place this evening before the PC meeting and the preferred candidate will be co-opted at the February meeting.

Interviews will take place on Tue 11th January and the co-option will be finalised at the February PC meeting.

87. Recruitment of Parish Clerk/RFO – It was agreed that councillors are very happy with the support received from the Temporary Maternity Cover (TMC) Clerk to date and they recommended that she be appointed to the permanent post of Clerk/RFO when the existing temporary contract ends. The TMC Clerk accepted this offer.

88. Information exchange – Cllr Chapman advised that CDC have been informed that Covid cases are rising and people should still be cautious as vaccination does not stop people from catching covid and there seem to be higher numbers in children who are too young to be vaccinated. It was agreed that Cllr Malcolm Patterson and the Clerk should work on updating the Winter Emergency Plan.

89. To agree meeting dates for 2022 – Proposed dates are 11th Jan, 15th Feb, 22nd Mar, 19th Apr, 24th May, 28th Jun, 26th Jul, 13th Sep, 18th Oct, 29th Nov – Proposed and agreed.

Cllr Chapman has informed the Chairman that the planning committee hearing for the planning application on junction 15 of the M40 has been delayed as Cherwell District Council have asked for a thorough review of the Highways issues.

Queen's Platinum Jubilee – A group in Williamscott will probably be organising an event to celebrate the Queen's Platinum Jubilee. The PC may be able to financially support celebratory events up to a cost of £1k should there be any groups in the village who wish to run an event.

A Cllr noted a sign has been placed outside the Tuthill Estate and they wondered if this is allowable within a Conservation Area. **Clerk to find out the requirements for signage in a Conservation Area.**

It was noted that the post box has been moved to outside the Memorial Hall but a Cllr is concerned that it has been sited too far forward so is visually very prominent and is likely to be reversed into.

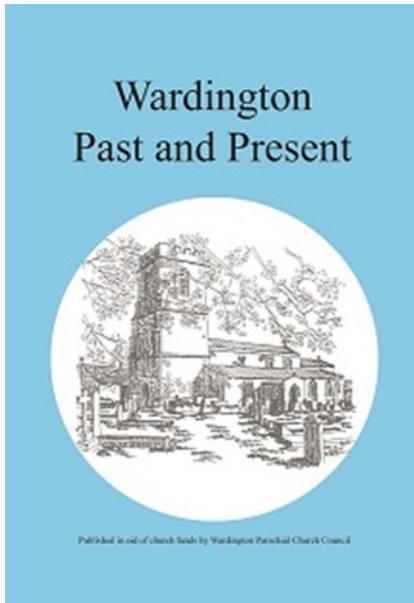

Date of next meeting – Tuesday 15th February 2022

Meeting closed @ 9:13pm
